By sending in your bag with this requisition form, you agree to the terms and conditions of Lovin My Bags restoration services:

There are no refunds for restoration services.
 Lovin My Bags will do the best possible restoration based on our expertise, however we are not responsible for metamerism, which is the affect that different light sources have on color.
 Lovin My Bags matches to daylight.

Turn around time varies per bag. We appreciate your patience as many bags take longer than we anticipate for many reasons, one of which is that leather chemistry varies causing us to re-formulate our finishes in some cases.
 We are not responsible for any damages and sending your bag to Lovin My Bags is at your own risk.
 All bags will be delivered via Fedex Home Delivery insured unless other shipping instructions are provided.

All estimates will be emailed but are subject to change once the bag is started and a reassessment is performed. You will be advised via email of such changes.

Sign the Requisition Form below and include it with your bag when shipping to us.
 We recommend that you ship your bag to us "Insured and Signature Required".
